The Davy Crockett is the ultimate portable grill. It comes with a digital WiFi controller, a meat probe, a peaked lid for rib racks, a convenience tray with utensil hooks and our new open flame technology grease tray. Also included is Sense-Mate, a thermal sensor which constantly monitors grill temperature. It can run on 12V or 120AC so it's perfect for home, camping, tail-gating, hunting, or anywhere you can take it! Weighing in at 57 pounds with fold-able legs, it can be placed in the trunk of any car.
